

Golf Analysis Package

Like your body, your swing is unique to you. Regardless of how it looks, all that matters is performance. Quit guessing and let us provide you with absolute answers to any issues affecting your golf performance. Our diagnostic tests will give you a comprehensive view of your swing, body, and mind as it relates to golf.

The Golf Analysis Package includes the following:

- TPI Functional Movement Screen (\$35)
- K-Vest 3-D Swing Efficiency (\$60)
- Mental Golf Workshop - Learning Style Survey (\$65)
- Face-On and Down-the-Line Video Capture with EX-F1 Camera (\$15)
- Review and Recommendations with PGA Professional

(Prices listed above if purchased separately)

Following your analysis, you are free to use the data and recommendations however you choose. We just want to put you on the right course to enjoy the game, avoid injury and shoot lower scores. If you decide to train with us, our team of Golf, Fitness and Medical professionals will work with you to strengthen, stabilize/mobilize, and develop the most efficient and effective swing for you.
